

CHESAI Satellite and Organized sessions 5th Global Symposium on Health Systems Research, Liverpool, 8th - 12th October

<p>Satellite session: skills building Title: The practice of embedded health policy and systems research in LMICs: individuals, organisations and networks building capacity and trust over time Overview: Embedded HPSR requires specific competencies from researchers and partners at individual, organisational and systems levels (e.g. ethical mindfulness and positional-reflexivity). This skills-building session builds capacity through shared field experience. Participants: Edwine Barassa, Keith Cloete, Beth Engelbrecht, Lucy Gilson, Hassan Leli, Sassy Molyneux, Jill Olivier, Nikki Schaay, Helen Schneider, Benjamin Tsofa, Krish Vallabjhee et al.</p>	<p>9 October Exhibition Centre Room 22 9 - 11 am</p>
<p>Satellite session: skills building Title: Advancing the conduct and analysis of case studies in health policy and systems research: comparing and applying different methodological approaches Overview: Four different approaches to case-studies in the field of health policy and systems research will be described, focusing on their application in four different settings and topics. Participants: Rakhal Gaitonde, Isabel Goicolea, Alison Hernandez, Anna-Karin Hurtig, Fidele Mukinda, Helen Schneider</p>	<p>9 October Exhibition Centre Room 18 1 - 5pm</p>
<p>Organised session: Addressing the politics of policy change in taking action on inequity and social exclusion ID: 144 Participants: Lucy Gilson, Ryan Guinaran, Chinyere Okeke, Ida Okeyo, Sudha Ramani, Jeremy Shiffman, HPA fellows and supervisors</p>	<p>10 October ACC Hall 2L 2 - 2.30 pm</p>
<p>Organised session: Using media to facilitate bottom-up accountability, health system responsiveness, and participatory decision-making processes: the role of citizen journalists, social activists and the media ID: 491 Participants: Leanne Brady, Samir Garg, Laura Lopez Gonzalez, Rosaura Medina, Adie Vanessa Offiong, Eleanor Whyte</p>	<p>10 October ACC Main Auditorium 4 - 5.30pm</p>
<p>Launch of the Health Policy Analysis Reader Overview: The Reader is meant to encourage and deepen analysis of health policy processes in low and middle income countries, to support health policy change for improved health systems and population health outcomes. Host: Alliance for Health Policy and Systems Research</p>	<p>11 October ACC room 4A 7.45 - 8.30am</p>
<p>Organised session: Growing the 'p' in HPSR: Southern-led networking to strengthen analysis of health policy change ID: 148 Participants: Irene Agyepong, Wolde Amdekidian, Selina Defor, Lucy Gilson, Uta Lehmann, Aaron Mulaki, Marsha Orgill, Rakesh Parahsar, Maylene Shung-King, Gina Teddy, BSC Uzochukwu</p>	<p>11 October ACC Hall 2F 2 - 3.30pm</p>
<p>Organised session: Is there a place for faith-based health services in a modern UHC-oriented LMIC health system? A debate drawing on empirical research and policy experience ID: 582 Participants: Aku Kwamie, Deborah McFarland, Jill Olivier, Sally Smith, Freddie Ssengooba, Krish Vallabjhee, Eleanor Whyte et al.</p>	<p>11 October ACC Room 1C 11 - 2.30pm</p>
<p>Organised session: New frontiers in community-based health systems: experiences in the collaborative governance of innovations that expand access ID: 426 Participants: Keith Cloete, Anna-Karin Hurtig, Kaaren Mathias, Helen Schneider, Joseph Zulu</p>	<p>12 October ACC Hall 2E 9 - 10.30 pm</p>
<p>Organised session: Community embeddedness: How community health actors in diverse health system contexts negotiate between government and community needs, values and relationships ID: 485 Participants: Chama Mulubwa, Nikki Schaay, Kerry Scott, Sean Taylor, Rajani Ved</p>	<p>12 October ACC Hall 2L 2 - 3:30pm</p>
